STREET CHAMP

Project Pitch — PlayStation 5

April 2026

CONCEPT OVERVIEW

The Game

Street Champ is a fast-paced, arcade-style 3v3 street football game built for PS5. Players assemble crews, master trick moves, and compete in iconic urban courts worldwide. Think FIFA Street meets modern indie craft — tight controls, expressive animations, and addictive online competition.

KEY DIFFERENTIATORS

01
Trick System

Flashy moves boost your score multiplier — but can be intercepted. High risk, high reward.

02
Crew Chemistry

Teammates who play together develop unique combo moves and synergies over time.

03
Court Hazards

Each venue has unique elements — puddles, walls for ricochets, spectator distractions.
